diverted by a canal cut to the bottom of said River at said point of diversion. Said canal to be thirty feet on the bottom and forty feet wide on the top and five feet deep. Said canal shall be constructed in a north westerly direction along and down the Salinas Valley. The water thus appropriated shall be used to irrigate the lands which may lie below said canal in the Salinas Valley, County of Monterey, State of California. This notice will be recorded according to law. Posted this first day of May 1896. Signed W. T. Brown, King City, Monterey Co. Cal. Witnesses of posting: Henry Pritchard

Recorded at the request of Wm T. Brown May 9th 1896 at 27 minutes past 2 o'clock P. M.

To all whom it may concern Take notice that it is our intention to appropriate a portion of the water now flowing or to flow in the Salinas River, the purpose of such appropriation being to irrigate such portions of the San Vicente, Rincon de la Punta del Monte and Chualar Ranchos as may lie below the grade of the Canal by which the water shall be diverted, and to use said water for irrigation and domestic purposes on said Ranchos. The point of intended diversion is near the place where this notice is posted at a point on the North Side of the Salinas River 800 feet downstream from the Soledad Bridge across said river, said point being on Lot 2 of the partition of the San Vicente Rancho. It is our intention to divert said water by means of a Canal which shall be thirty (30) feet wide at the bottom, forty (40) feet wide at the top and five (5) feet in depth, which will run from the point of diversion in a northwesterly direction down the Salinas Valley a distance of twenty miles and the grade of said Canal shall be between one and five feet per mile as we may hereafter decide. The said Canal above described will divert take and carry 45,000 inches of water under a 4 inch pressure and it is our intention

to claim and we do claim and will use said water of said Salinas River to the extent above specified. Dated at Salinas City, Monterey County, California, this 24th day of June A.D. 1896. — J.E. Hartenbower, B.D. Hurd. Claimants & Appropriators. State of California, County of Monterey & ss. J.E. Hartenbower being first duly sworn, deposes & says: That he is one of the parties named in & who signed the above notice. That he is a male citizen of the United States over the age of 21 years. That a notice of which the above is a true copy was posted on a stake on the west side of a cottonwood tree two and one half feet in diameter, at the place designated in said notice, on the 24th day of June A.D. 1896. J.E. Hartenbower. Subscribed & Sworn to before me this 25th day of June A.D. 1896. John A. Parker, Notary Public in & for Monterey County, California. (Notarial Seal)

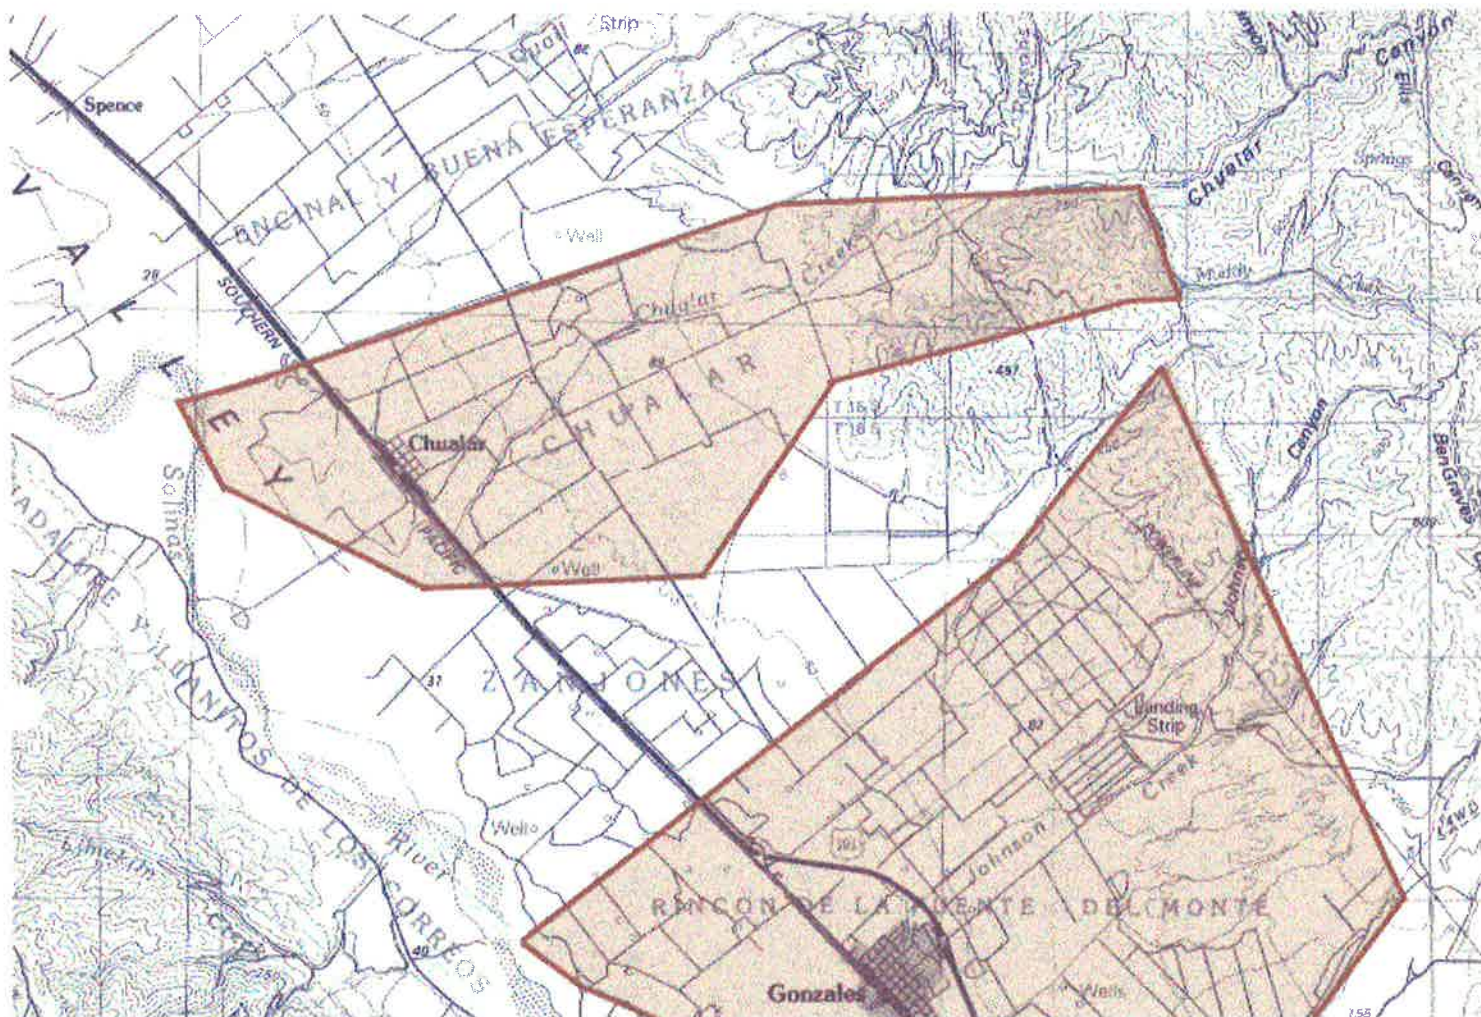

Recorded at request of W.K. Brown, July 3rd 1896 at 23 min past 4 o'clock P.M.

Water Location

Notice is hereby given that A.R. Burbanks of San Jose, Santa Clara County, California, and C. S. Abbott of Salinas City, Monterey County, State of California, claim, and do hereby claim, the water flowing in the ravine, canyon and creek, commonly known & called the Arroyo Seco, in Monterey County, State of California, to the extent of thirty thousand (30,000) inches of water measured under a 4 inch pressure, & being all the water flowing in said Arroyo Seco Creek. That we intend to divert the same ^{out} at a point where this notice is posted & Eighteen feet from a tree blazed and marked "C. S. A." and being on the westerly end of Lot No. Two (2) of the Arroyo Seco Ranch, being the place heretofore located by C. J. Rome September 30th 1886. That the purposes for which we claim said water are as follows: for domestic uses, for watering stock, irrigating, for agricultural and horticultural purposes, & for furnishing water for towns, & such

To all whom it may concern: Take notice that it is our in(-)tention to appropriate a portion of the water now flowing or to flow in the Salinas River, the purpose of such appropriation being to irrigate such portions of the San Vicente, Rincon de la Punta del Monte, and Chualar Ranchos as ~~may~~^{now} lie below the grade of the Canal by which the water shall be diverted, and to use said water for irrigation and domestic purposes on said Ranchos. The point of intended diversion is near to the place where this notice is posted, at a point on the North side of the Salinas River 800 feet down stream from the Soledad Bridge across said river, said point being on Lot 2 of the partition of the San Vicente Rancho. It is our intention to divert said water by means of a canal which will be thirty (30) feet wide at the bottom, forty (40) feet wide at the top and five (5) feet in depth, which will run from the point of di(-)version in a northwesterly direction down the Salinas Valley, a distance of twenty miles and the grade of said canal shall be between one and five feet per mile as we may hereafter decide. The said Canal above described will divert, take and carry 45,000 inches of water under a four inch pressure, and it is our intention to claim, and we do claim and will use said water of said Salinas River to the extent above specified. Dated at Salinas City, Monte(-)rey County, California, this 24th day of June A.D. 1896. J.E. Hartenbower, B.D. Hurd, Claimants and Appropriators, State of California, County of Monterey, ss. J.E. Hartenbower, being first duly sworn, deposes and says: That he is one of the parties named in and who signed the above notice. That he is a male citizen of the United States over the age of 21 years. That a notice of which the above is a true copy was posted on a stake on the west side of a cottonwood tree two and one half feet in diameter, at the place designated in said notice, on this 24th day of June, A.D. 1896. J.E. Hartenbower. Subscribed and sworn to before me this 25th day of June, A.D. 1896. John A. Parker, Notary Public in and for Monterey County, California (Notarial Seal)

Recorded at request of W.K. Brown, July 3rd 1896, at 23 min. past 4 o'clock P.M.
